Kendra,

Will you please do up a purchase request for \$2500 for ATMOS Energy? That should be enough to cover the deposits and a couple of months utility payments.

Thanks. bethany

Bethany, Joe,

Attached below is a follow email from ATMOS Energy for completing the registration process.
How do you want me to proceed with setting up the account for EPA for the gas services? I've spoken with ATMOS and had these accounts setup this morning;

Unit #101, Acct #4013340704 – Deposit \$350.00

Unit #102, Acct #4013340731 – Deposit \$350.00

Unit #103, Acct #4013340740 – Deposit \$350.00

Unit #104, Acct #4013340759 – Deposit \$350.00

Unit #107, Acct #4013340777 – Deposit \$350.00

It's a little weird how they have the gas meters set up for the three spaces (units #101, #103, #107) that we have.

Units #101 & #102 are meters for both Unit #101 (Space #101)

Units #103 & #104 are meters for both Unit #103 (Space #103)

Units #107 is a meter for only Unit #107 (Space #107) (we are vacating this unit on 10/31/2015)

Call me anytime!

Thanks,

Jay Teopaco
